

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF WISCONSIN

JAMES EDWARD GRANT,

Plaintiff,

v.

TRENTON SCHAFFER,

Defendant.

ORDER

08-cv-672-bbc

Judgment was entered in this civil rights lawsuit on July 23, 2009 after I granted defendant's motion for summary judgment on plaintiff's excessive force claim. In a September 1, 2009 order, I denied plaintiff's motion for relief from judgment under Fed. R. Civ. P. 60. Now plaintiff has filed a document titled "Petition for Supervisory Writ" in which he restates some of his allegations against defendant Trenton Schaffer and asks that the judgment in this case be "reversed [or] adjudged null and void." However, he provides no explanation of how the July 23, 2009 summary judgment order was erroneous. I will construe plaintiff's submission as a second motion for relief from judgment under Rule 60 and deny it because he fails to establish grounds for relief from judgment in this case.

ORDER

IT IS ORDERED that the “Motion for Supervisory Writ” filed by plaintiff James Grant, dkt. #47, is DENIED.

Entered this 8th day of February, 2010.

BY THE COURT:
